

Avioq® HTLV-I/II Microelisa System

ATTENTION: REVISED PACKAGE INSERT AND LABELING

The following lists changes to previous package insert 43-01809 Rev 4.12 that are incorporated into package insert 43-01809 Rev 4.13.

The changes from Rev 4.12 to Rev 4.13 are minor and solely due to a change of address for Emergo, Avioq's EC REP, and change of Avioq's manufacturing site. Specifically:

- 1 Revised footer to include Rev 4.13, all pages
- 2 Changed issue date to March 2024, pg. 35
- 3 Updated address for Emergo, pg. 35
- 4 Updated address for Avioq, pg. 35
- 5 Outer carton label now states both new addresses
